

Accessory V1.3

Issued March 16th, 2015

Accessory Description	Images
<p>SW2782MA - Additional Marker</p> <p>Use it as a second microphone for questions and conversations by placing it on a table with a group or with an audience. It will automatically feed audio into the same video file.</p> <p>Or you can use it as an interchangeable backup marker to extend run times beyond 4 hours when using it with a base that is plugged in. Includes lanyard.</p>	 <p style="text-align: center;">Marker</p> <p style="text-align: center;">Lanyard</p>
<p>SW5060 - Carrying Case</p> <p>Keep your Swivl protected and your accessories organized. Great for when you are sharing a Swivl amongst team members to prevent wear and tear and ensure nothing gets lost for the next user.</p> <p>It is lightweight and compact, so it is ideal for travelling to events and meetings. It's even useful for rooms where you keep Swivl setup, as it helps you organize your cables, grips and mounts and more.</p>	 <p style="text-align: center;">Case</p> <p style="text-align: center;">Example of packed case.</p>

<p>SW5130 - Projection Kit</p> <p>Everything you need to connect to a VGA projector. Not all classrooms have wireless projection. VGA cable is the universal standard. Swivl can be easily connected to a VGA projector by cable with this kit. The kit organizes and bundles cables together to make assembly easy and avoid catching during operation. Ideal for use with a stand (purchased separately).</p> <p>Includes Lightning to VGA, VGA/Charging Bundle and extension VGA. Lightning compatible devices only.</p>	<p>Mounted Kit Front</p>  <p>Mounted Kit Rear on stand.</p> 
<p>SW5100 – Mount Anything Kit</p> <p>Make Swivl compatible with any case. Want to use an Otterbox? No problem. Cases with covers? We have you covered. This Grip insert is made to handle large device cases and varying form factors, accompanied by an elastic security strap.</p> <p>The security strap can also be used with standard device grips for extra security.</p>	<p>Security strap .</p>  <p>Grip for cases.</p>
