00:00:06 **Owner**
Great introduction!

00:00:43 **Owner**
Students correctly applied the distributive property to the coefficient 'x'

00:01:32 **Owner**
Re-teach: multiplying positive and negative numbers together

00:01:34 **Me** Agreed, it seems like the students struggled with the baseline task here.

Smart Playback

The screenshot shows the SWIVI interface with a video player. The video is titled "Smart Demo" and was created on Feb 2, 2018, by Reggie Deyo and Jasper Eisenberg. A red arrow points to the "Smart" playback option in the video player's settings menu. Below the video player, there is a donut chart titled "Smart Playback:" showing the percentage of video that is "Active" (green) versus "Inactive" (grey).

Category	Percentage
Active	~15%
Inactive	~85%

Smart Playback cuts out parts of your video when there is little to no sound coming from the microphone(s) and automatically skips to the parts where you can watch and listen to meaningful, engaging content.

Pro Plus Multi-Camera (up to 5 total devices)*

Switch the camera views in Swivl cloud to focus on a specific student group. Use slides with your students so they can follow along to an activity while you record them.

*Dual-Camera (2 devices) is available to all Standard and Pro users

Setting up Multi-Camera

You will need...

An iOS device (iPad, iPhone, iPod) - Swivl Robot is recommended, but not required.

And

iOS **or** Android device w/ free Swivl+ App

OR

Chromebook, any desktop or laptop with web camera running this **webpage:** plus.swivl.com

*Dual-Camera (2 devices) is available to all Standard and Pro users

Multi-Camera in the classroom

With multiple cameras, record more holistically, focusing on students and their individual needs.

*Dual-Camera (2 devices) is available to all Standard and Pro users

Pro Option: Dual-Camera (up to 2 total devices)

The screenshot displays the Swivl app interface. At the top, the Swivl logo is on the left, and navigation options 'Feed' (Shared with me), 'Library' (My projects), and 'Groups' (Set up group sharing) are in the center. A user profile icon 'RD' is on the right. Below the navigation bar, the video title 'Dual-Camera in Swivl's Classroom' is shown, along with 'created on Mar 9, 2018' and 'by Reggie Deyo'. Action buttons for 'Analytics', 'Edit', 'Share', and 'Export' are on the right. The video player shows two camera feeds: 'M' (left) and 'C1' (right). The 'M' feed shows a classroom scene with students and a 'SWIVL' sign. The 'C1' feed shows two men in a classroom. A sidebar on the right contains 'Filters', 'Comments (0)', and 'Notes'. A comment icon with a plus sign is visible, and the text 'Try adding a comment to your video.' is displayed. At the bottom, a video control bar shows a play button, '0:14 / 0:51', volume, '1x' zoom, and a 'Click to leave a comment' button with a comment icon.

*Dual-Camera is available to all Swivl users: Standard, Pro, Pro Plus

Screen Recording

Download the Swivl+ Desktop App for Mac or Windows to record your screen at the same time you record yourself.

Swivl+ Desktop

Swivl Live

Live stream by signing into **Zoom** and Swivl will continue to track and share your audio (and the audio from additional microphones) to participants on the other end!

In-Ear Coaching

Distance Learning

Video Conferencing

Swivl Cloud Team Features

Speech Analysis

While **all** Team users will have Speech analysis, Pro and Pro Plus users can choose **Auto Playback** to automatically play the microphones that are active and silence those that are inactive.

Sharing Options

Direct Share

(login required, best for sharing with individuals)

Sends an email invitation to view your project. Viewing requires a Swivl cloud login.

Direct Share to other Swivl cloud users (videos appear in their "Feed")

Share to List or Group

(login required, best for sharing with multiple people)

Sends an email invitation to view your project. Viewing requires a Swivl cloud login.
Access control: only members of the List or Group can view and/or comment.

Share to List (you are the owner, only you can share videos)

Share Weblink

(no login required)

Create a unique, unlisted url that can be shared with anyone. Anyone with this link can view the video.

Share to Team Group (you are a contributor, all Pro users or higher can share videos)

Embed

(no login required, password protection optional)

Embed this project on your website or blog using HTML.

Embed (creates an embed code for you to place your video in another website, LMS, or blog)

Video Cloning

Cloning creates a copy of your project for another Swivl cloud user. This person may edit, rename, or share your project and it will not affect your original version (or vice versa).

Peer Sharing and Best Practice Libraries

Team Groups are essentially private folders where any Team Member can watch videos, leave comments, and collaborate as long as they are part of the Group. Only Pro and Pro Plus users can share videos; Standard users can view and comment.

The screenshot displays the SWIVL app interface with a dark header containing the logo and navigation options: 'Feed Shared with me', 'Library My projects', and 'Groups Set up group sharing'. A user profile icon 'RD' is in the top right. The main content is a grid of nine items, each with a 'Group' label and a video thumbnail. The items are:

- Peer Sharing Library-Grade 2**: 2 projects, Nov 8, 2017. Thumbnail shows two students at a table.
- Hargrove's Peer Sharing Group - Social Stu...**: 4 projects, Nov 1, 2017. Thumbnail shows a teacher at a whiteboard.
- Best Practices - Science, Grade 7**: 2 projects, Apr 21, 2017. Thumbnail shows a teacher at a whiteboard.
- Best Practice Library, Sugar Grove Middle S...**: 6 projects, Aug 16, 2016. Thumbnail shows a teacher writing on a whiteboard with math problems: $\frac{2}{3} \div 15$ and $-\frac{1}{5} \cdot 15$.
- Elementary Grades 3-5 Peer Sharing Group**: 7 projects, Oct 14, 2015. Thumbnail shows students at a table with a 'CHECKLIST' graphic.
- Geometry Best Practices - Grade 10**: 5 projects, Jul 16, 2015. Thumbnail shows a teacher at a whiteboard with math problems.

At the bottom, there are three 'List' items, each with a video thumbnail. A page number '5325' is visible in the bottom left corner.
