

Accelerate teacher growth, improve quality of instruction

Elevate teaching effectiveness

With Swivl solutions, teachers:

- ✓ receive real-time, on-demand feedback
- ✓ reflect on their practice
- ✓ build metacognitive skills that drive professional growth

Coaches, mentors, and evaluators:

- ✓ receive high-quality classroom video and audio recordings
- ✓ have access to a centralized dashboard of AI- analyses
- ✓ can easily track progress and identify areas of growth

Teacher growth that scales

Swivl solutions amplify the impact of instructional coaching and development impact by:

- ✓ increasing the frequency of high-quality feedback
- ✓ simplifying the recording and sharing of video evidence
- ✓ automatically tracking growth of individuals and groups over time

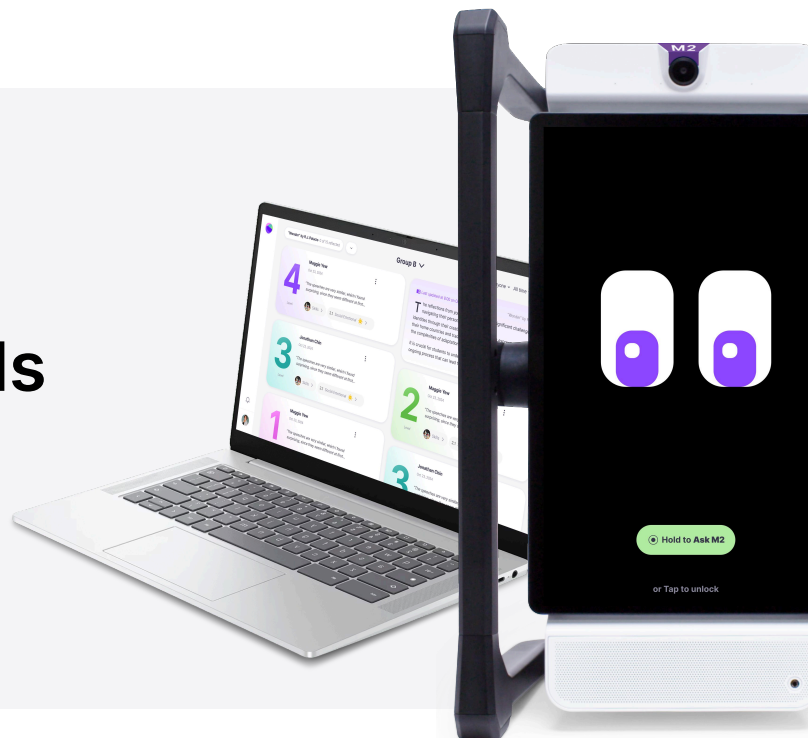

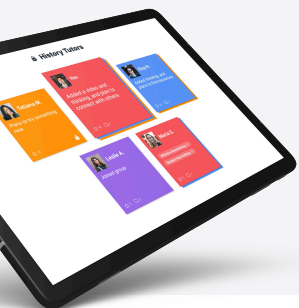

MirrorTalk and Reflectivity are available on web, iOS, and Android.

M2's portable design allows for easy sharing between classrooms and campuses.

Eligible for Title II Funds

As powerful tools for increasing the effectiveness of teachers, Swivl solutions qualify for Title II funding.
