Pilot program for higher education

Throughout our 30-day M2 pilot program, the Swivl team will provide ongoing support and community-building opportunities for your pilot team.

PRE-PILOT
- Assess needs and select pilot participants
- Discuss your goals and set expectations

LAUNCH
- Onboard pilot team with targeted supports
- Monitor early adoption and gather feedback

LEARN
- Regularly analyze usage data and feedback
- Fine-tune your implementation strategy

SHOWCASE
- Comprehensive review with the Swivl team
- Purchase planning with Cynthia Glover
