

Communicating data: Parent communication

Best format

- Individual student dashboard views
- Growth trend visuals
- Simple metrics comparison
- Clear next steps

How to use

- Quarterly progress reports
- Student-led conferences
- Intervention planning
- Support recommendations

Communication tools

- Growth visualizations
- Success celebrations
- Support strategies
- Next steps planning

Key messages

- Personal growth story
- Learning journey progress
- Support opportunities
- Success celebrations

Key metrics to share

- Individual growth trends
- Zone balance over time
- Mindset development
- Achievement highlights

Sarah's Learning Journey Q1

ZONE

**Consistently
"Ideal"**

UNDERSTANDING

65% → 78%

MINDSET

**Strong growth
pattern**

Success story

Sarah showed remarkable persistence in math. Her reflections reveal a deeper understanding of fractions after initial challenges. Zone data shows she's ready for more complex problems.

Next steps

1. Increase challenge level
2. Continue daily reflections
3. Set goals
